

Foodspace MCT8 LED Tube Series

Ideal Meat Counter T8 LED Retrofit Solution.

L70 Rated to 50,000 hours.

180 Rotating End Caps

Fully CE Certified

120 Degree Beam Angle

Up To 2550 Lumens

The Di-Astrum Foodspace Meat Counter (MC) T8 LED Tube is an ideal straight swap solution where meat colouring and display is of paramount importance. These LED fittings not only save energy and money but provide vibrant pink tones to highlight meat products in display, preparation and storage areas. These units are available in various sizes for complete flexibility. These IP20 tubes are constructed using an Aluminium Profile for heat management and PMMA diffuser and offered with Frosted Anti-Glare Lens. The MC T8 is L70 rated to 50,000 hours offered with a 5 Year Warranty. Please note that electronic ballast will need to be by passed by a qualified electrician.
